Email: vishhal1997@gmail.com

Location: Chhatrapati Sambhajnagar, Maharashtra

**PROFESSIONAL SUMMARY**

Mechanical Engineering graduate with Diploma and 2 years of hands-on workshop experience in fabrication, assembly, maintenance and quality inspection. Skilled in drilling, cutting, riveting, grinding, fitting, basic arc welding and measuring instruments. Seeking opportunities in Production, Assembly, Maintenance and Quality.

**TECHNICAL SKILLS**

Mechanical Assembly, Fabrication & Fitting, Preventive Maintenance, Quality Inspection, Engineering Drawing Reading, Vernier Caliper & Micrometer, Drilling, Grinding, Riveting, Basic Arc Welding, MS Office.

**WORK EXPERIENCE**

Mechanical Workshop Assistant – New Maharashtra Engineering Workshop (Apr 2024 – Feb 2026)

- Drilling, cutting, grinding, riveting and fitting operations.
- Fabrication and mechanical assembly.
- Preventive maintenance of agricultural equipment.
- Used hand/power tools and measuring instruments.
- Quality inspection and support to engineers.

**EDUCATION**

B.E. Mechanical Engineering – S.N.D. College of Engineering & Research Centre, Yeola (2016–2020)

Diploma in Mechanical Engineering – Ashok Institute of Engineering & Technology, Shirampur (2013–2016)
