ABOUT ME

Mechanical engineering graduate with a diploma and two years of hands-on experience in fabrication, maintenance, and assembly operations. Proficient in drilling, cutting, riveting, grinding, folding, basic arc welding, and agricultural equipment maintenance. Demonstrates strong problem-solving skills and a commitment to safety and quality. Aiming to contribute expertise to a leading manufacturing organization.

EDUCATION

SND College Of Engg. & RC Yeola, Nashik 2016-2020

Bachelor Of Mechanical Engineering

Provides a strong foundation in engineering principles, technical problem-solving, and practical applications of mechanical systems. Develops the skills required to support manufacturing, maintenance, quality, and production industries.

Ashok Institute Of Engg. & Tech. Shrirampur 2013-2016

Diploma in Mechanical Engineering

Focused on practical engineering knowledge and technical skills required for manufacturing, maintenance, and production industries. Prepared for entry-level technical roles through hands-on learning and industrial exposure.

WORK EXPERIENCE

New Maharashtra Engineering Workshop 04/2024-02/2026

Mechanical Workshop Assistant

- Performed drilling, cutting, riveting, grinding, folding, and basic arc welding operations.
- Assisted in the fabrication and assembly of mechanical components and metal structures.
- Carried out preventive maintenance and repair of agricultural equipment and machinery.
- Performed fitting, alignment, and assembly of mechanical parts.
- Used hand tools, power tools, and measuring instruments safely and effectively.
- Checked quality of parts produced to ensure they met standards set by supervisors.
- Assisted engineers in assembling machinery and equipment components.

TECHNICAL SKILLS

- | | |
|-------------------------|-------------------------|
| • Drilling operations | Mechanical inspection |
| • Welding techniques | Mechanical assembly |
| • Equipment maintenance | Quality control |
| • Parts ordering | Technical documentation |
